NO SCARCITY OF BOARDING HOUSES AND ROOMS HERE

By BILL PRICE.

There is no serious scarcity of rooms and boarding houses in Washington for the young people who are still coming here in goodly numbers to accept positions in the service of the Government.

That fact has been demonstrated by careful inquiry by The Times, and this inquiry reveals marvelous work done by the Young Men's Christian done by the Young men's (Interest Association, the Young Women's Christian Association, the Young Men's Hebrew Association, kindred organizations; the Knights of Colum-bus, and Catholic organizations and

War Tax To Smite Champion "Joiner" Of 31 Societies

Edward S. Schilld, taxidermist is trying to determine just how much money he will have to turn over to his Uncle Sam for the war tax on fraternal order membership.

Mr. Schmid is the champion "joiner" of Washington. He be longs to so many organizations he confesses an inability to enumerate them, nor is he quite sure the amount of dues. The war tax 10 per cent on all dues over \$12 per annum. Some of the organization dues are much le excess of \$12, and Mr. Schmid believes there are one or two less. He is greatly worried, and has a friend, an auditor, going over his records to get things straightened

The very much taxed taxidermist says he knows of thirtyone organizations to which he pays dues, but is certain there are more.
